Traveling Food Pantries

Mobile Pantries: TAFB refrigerated 18-wheelers, carrying fresh produce, dairy, and other nutritious foods, park and distribute that food to hundreds of families each month at the same sites. The sites are hosted by TAFB Partner Agencies or other community organizations in five cities.

Pantries Express: Smaller TAFB refrigerated trucks each month drop off fresh foods at sites in seven counties where the host organizations distribute the food the day it is delivered. Senior Share Pantry Express delivers to sites where seniors are learning about nutrition and managing chronic health conditions.
